Notice of Oral Hearing form - appeals

<https://www.uspto.gov/sites/default/files/documents/aia0032.pdf>

Appellant's Representative 123 Main Street Arlington, VA 22202	Appeal No: Appellant: Application No: Hearing Room: Hearing Docket: Hearing Date: Hearing Time: Location:	201X-XXXXXX APPELLANT XX/XX/XXXX Alexandria: Room A Electrical Tuesday July 09, 201X 09:00:00 AM EST Madison Building – East Wing 600 Dulany Street, 9th Floor Alexandria, Virginia 22313 -1450
--	--	--

NOTICE OF HEARING - ALEXANDRIA, VIRGINIA RESPONSE REQUIRED WITHIN 21 DAYS

The Patent Trial and Appeal Board (PTAB) will hear the above-identified appeal on the date indicated. The hearing will commence at the time set, and as soon as the argument in one appeal concludes, the succeeding appeal will be taken up. The time allowed for argument is 20 minutes, unless additional time is requested and approved before the argument commences. If the application involved in this appeal has been published, the hearing will be open to the public.

Hearing Attendance Confirmation or Waiver

Appellant is required to confirm attendance at the hearing or waive the hearing within 21 days of the mailing date of this notice. Appellant may confirm or waive attendance by completing the "APPELLANT RESPONSE TO NOTICE OF HEARING" and returning it to the PTAB.

Options for Hearing Attendance

If Appellant opts to attend the hearing, Appellant may appear in-person, by telephone, or by video. In Appellant's response to the NOTICE OF HEARING, Appellant should indicate the manner in which Appellant will appear for the hearing.

In-Person Hearing Attendance

If Appellant selects in-person hearing attendance, Appellant should identify the preferred location. Specifically, Appellant may appear at a hearing room in the USPTO Alexandria headquarters or request to use a hearing room or a conference room in one of the USPTO regional offices located in (1) Detroit, Michigan; (2) Dallas, Texas; (3) Denver, Colorado; and (4) San Jose, California. The PTAB attempts to grant all hearing location requests, subject to space availability.

Appeal Number: 201X-XXXXXX
Application Number: XXXXXX,XXX

Page 2

Usage of a hearing room or a conference room in one of the regional offices is not guaranteed until confirmed by the PTAB. In the event the request cannot be granted, then Appellant is responsible for proposing an alternate option, such as selecting a different USPTO location, by telephone, or by video, which is subject to approval by PTAB. **Appellant's selection and the PTAB's approval to utilize a hearing room or a conference room does not guarantee that an Administrative Patent Judge assigned to the appeal will be physically present at that location.**

If Appellant is no longer interested in having a hearing, then Appellant must file a waiver of the hearing with the PTAB. This allows the panel of Administrative Patent Judges assigned to the appeal to act promptly on the appeal without waiting for the hearing date.

If Appellant fails to respond to this NOTICE OF HEARING, the PTAB will issue a decision on the briefs based on the written record.

Telephonic Hearing Attendance

In lieu of in-person hearing attendance, Appellant may participate in a hearing by telephone. Appellant will receive an Order detailing the telephonic hearing instructions.

Video Hearing Attendance

In lieu of in-person hearing attendance, Appellant may participate in a hearing by video. Appellant will receive an Order detailing the video hearing instructions.

Remote Viewing Request

USPTO regional office locations in (1) Detroit, Michigan; (2) Dallas, Texas; (3) Denver, Colorado; and (4) San Jose, California are generally available for any member of the public to view a hearing, subject to room availability and advance coordination with the PTAB. For example, Appellant's in-house counsel based in Palo Alto, California may wish to view the hearing from the USPTO regional office in San Jose, California rather than travel to a hearing scheduled at the USPTO headquarters in Alexandria, Virginia. To request remote video attendance, Appellant must inform the PTAB of the USPTO regional office location and the number of people planning to attend the hearing from the remote location. The PTAB will notify Appellant if the request for remote viewing is granted. Due to the availability of resources, it may not be possible to grant the request in all instances.

Special Requests

If Appellant has any special requests related to appearing at an in-person hearing, Appellant should inform the PTAB. Special requests may include physical needs that limit mobility, or visual or hearing impairments. Additionally, Appellant may assist the PTAB by indicating ways to accommodate the special requests. The PTAB will make every effort to accommodate the special requests in the manner suggested by Appellant.
