Patent Trial and Appeal Board

The PTAB designates as informative a Director Review decision addressing the treatment of parallel petitions challenging the same patent on the basis of distinct claim constructions

CrowdStrike, Inc. v. GoSecure, Inc., IPR2025-00068 & IPR2025-00070, Paper 25 (Stewart June 25, 2025)

This Director Review decision vacates and remands to the Board two decisions instituting parallel petitions challenging the same patent, where the petitions each advance a different construction for a claim term. The decision explains that, given the overlap in claims, the Board should have construed the claim term and instituted review of at most one of the petitions.
